

CHILDREN HAVE THE POWER TO EMPOWER[®]

AWARD

Recognizing Children for Their Outstanding Acts of Goodness

ABOUT THE AWARD

Yours Humanly is an organization of compassionate individuals who value and appreciate the good that millions of people across the country do for others on a daily basis. We are particularly in awe of the number of children who perform acts of goodness and who, at their young ages, are already making a difference in the lives of others. We must encourage them, through recognition and positive feedback, to continue to care for others and do what they can to ease life's journey for those who struggle—because we are a nation of people helping people and because it's the right thing to do.

For this reason, we created the *Children Have the Power to Empower[®]* Award, a distinctive award that recognizes children across the United States for their outstanding acts of goodness that significantly impact people who are struggling and in desperate need of help and comfort.

HOW THE PROCESS WORKS

- 1 Complete and submit a nomination form online, found at YoursHumanly.org. There is no application fee.
- 2 The Award Committee reviews all nominations for eligibility and accuracy of submission.
- 3 The Award Committee contacts the Nominee's parent(s) or guardian(s) to verify the information provided.
- 4 Verified nomination forms are presented to the Award Judges, who review and make final award decisions.
- 5 Once Award Recipients are chosen, the Award Committee notifies them with a congratulatory letter accompanied by a personalized certificate and an award medal.
